Subject: RE: Human Services Commission

Good Morning Angelina,
Thanks for your e-mail. I appreciate your acknowledgements.
It is with mixed feelings that I resign from the Human Services Commission.
I have been inspired by the dedication and commitment that my fellow Commissioners have shown. The staff is also to be commended for it's high standards and willingness to serve.

I am loving my job in Sacramento. I am one of five statewide Consultants that are at the helm for creating programs and services for children and youth. It is very exciting to work with funding streams that allow for services that are so needed for our children. I am staying in Sacramento during the week and I commute to be home Friday afternoons-Monday morning.

I still plan to "be" in Hayward as much as I can. It's such a great place to live. I'll miss "bumping into" my friends and colleagues during the week. I still truly welcome the opportunities to participate here in the community. I will be supporting The Kids' Breakfast Club (TKBC) through this transition. TKBC will be hiring a Program Coordinator to work closely with me and the staff to continue the work that I began. As you might guess, it is very important to me that TKBC continues to be recognized with high regard in the community for what we bring to our children and their families.

Thank you so much for the support you have show over the years. I still remember how you and Bertie worked with me to have some students come to City Hall and sit in the Chambers and hear about how the city is run. I remember the looks on those kids' faces--I know they felt so special.

Thanks again for everything.
Marlena

Subject: Resigantion from Economic Development Committee

As of October 10, 2005 I am resigning from the Economic Development Committee. Increased work demands have created a scheduling conflict with the EDC meeting times. I have learned a great deal and hope to volunteer again in the future.

Thank You,

Joel Peña
